SOCIAL SERVICES

She is the founder of the monthly motivational youth gathering for the foreigners in Sakarya city, Turkey. The program was created to help foreigners in foreign countries channel their mind towards the positive things and aim to achieve more even against all odds.

Esther believes that every woman has the potential and creativity needed to succeed in life. However, Women and young ladies are struggling with so many challenges that pose a threat to their creativity, such as: Negative mindset, gender discrimination, marginalization. This challenges mostly interfere with women's access to quality health care and education in some regions of the world and unequal employment opportunities. Her goal is to help women live beyond these challenge and live fulfilled lives.

She is also dedicated to helping women who have suffered marital violence, maternal health issues such as Postpartum Depression, childhood emotional abuse, environment hardship, change of environment and cultural adaptation challenges, marriage and divorce challenges of (some of which she is a victim) some of these experiences have caused her anxiety, depression and panic attacks, and interfered with her creativity and productivity at different stages in life. That is why she founded the Women Creativity Hub to help young women utilize the creativity. The Women Creativity hub is corporately registered with CAC; Registration number:166223. Under which she is

committee and participant.
